ATA Tigers Star Worksheet

RESPECT

Suri is a brave, but very little eagle. Sometimes he feels self-conscious about how little he is, but the other ATA Tigers always treat him with respect, which makes him feel important and loved no matter how big he is! Suri always tries very hard to show everyone respect just like his friends show him. He knows that showing respect lets others know that he cares.

Directions: With a parent's help, read about **Respect** in your newsletter. Cut apart the words at the bottom of the page and tape or paste them in the right column below. Ask mom or dad for help and talk about why some words show respect and other ones don't. Remember to show respect to whoever helps you by saying please and thank you!
