## WEATHER CANCELLATION POLICY

In the event of inclement weather, the Taekwondo Center will send out a text alert letting students know of any cancellations. We will also post to our Facebook, Twitter, Instagram & Google+ accounts online. We encourage you to look online instead of calling when possible. If you do call and get our machine, please leave a message. On snowy days, we may still be open for class with limited staff and may be assisting students and unable to answer.

To enroll in text alerts, send "@butlerata" to 81010

## INTEGRITY

Integrity is telling the truth and doing what is right. It means living up to your values. The dictionary says that integrity is something that is complete and unbroken. For example, a bridge that has integrity is sturdy and reliable. We can count on it to be strong and hold us up, no matter how high the water rises or how fast it flows. That's what integrity is for people too. We can count on people with integrity to do the right thing, no matter what. That means being honest and reliable. But more than just being honest, integrity is also meaning what you say. Some people will say things just because they think that is what other people want to hear, but that is the opposite of integrity. The phrase, "actions speak louder than words", is a good example. If you say one thing, but do the opposite, you must not have meant what you said. Try to always say and do the right thing and you will have integrity.

Don't forget to do your star worksheet this month and bring it in for a star!

### Reminder for Coats and Shoes!

Students should take their shoes off on the carpet next to the changing rooms as soon as they arrive to avoid getting snow or mud on the floor. We walk around in our bare feet a lot, let's keep the floor clean to walk on for our students! Coats and hats should be hung up or put in cubbies in the changing room.

No coats on the floor please!
